

Future

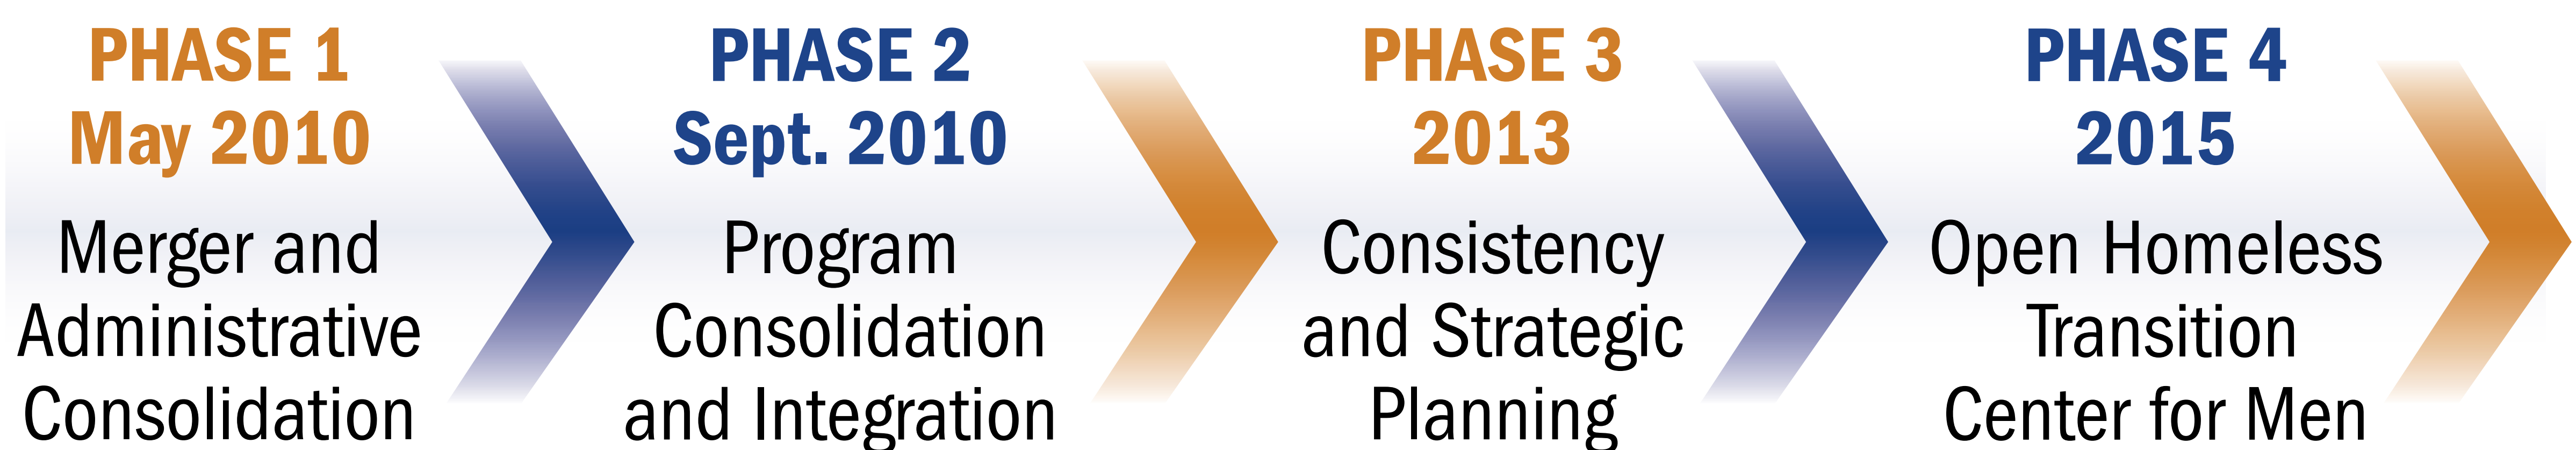

- Together, and in partnership with our community, we plan to create a comprehensive

Homeless Transition Center for Men

- Modeled after transition centers in other major cities, the Charlotte Homeless Transition Center for Men will feature:

- » Overnight emergency shelter
- » Comprehensive case management system
- » Transitional housing for men not served by other programs
- » On-site, one-stop support center with 24-hour availability and service provider access

Vision Timeline

One Agency... One Approach... One Community – Together!

We've made the commitment to help homeless men – together. But we can't do it alone. Please join with us in addressing the needs of men experiencing homelessness in our community.
