## A Return On Your Investment

### Our Impact

We estimate 2,000 men experiencing homelessness will turn to us for emergency shelter and basic needs this next year.

More than just shelter, these guests will have access to services and resources to help them obtain housing and move home.

### Our Mission

To provide safe emergency shelter while working to end homelessness for each man.

### Our Vision

To serve as a catalyst for systematic change to end homelessness in our community.
