

Table Host Tips

**Fundraising Breakfast
April 4th, 2019 | The Westin Charlotte**

Thank you! We are grateful to you for being a Table Host. Now, you're off to filling your table.

Your next steps are easy as A,B,C.

Ask individuals now to begin filling your table.

- Family, friends, co-workers, colleagues, your place of worship, a club in which you are a part, or individuals with whom you give business.
- Print and electronic invitations will be available. As we get closer, we'll likely have information on our website: MensShelterofCharlotte.org.
- Your goal is to provide us with guest names by March 15th. We'll provide you an easy template which you can add names.

Be pleasantly persistent.

- Invitations are easily "lost." Reminder emails are encouraged.
- Consider inviting more than 9 individuals to ensure you fill your table. If you have more than one table, we'll add another next to yours.
- Remember, you are a volunteer and passionate about helping us move men home. You're simply asking someone to consider joining you in supporting our mission.

Collect pledges/donations at the breakfast.

- This is the fun part!
- Remember to thank your guests.
